DESIGNERS

Paolo Giordano

Born in Naples 1954, studied architecture at Milan Politecnico graduating in 1978. Lives and works in Milan.

In 1996 founded the I+I company, with the idea of producing a contemporary design collection for the home with products made by hand from different continents.

Since then continues to direct the I+I company from both a creative and commercial point of view.

Collaborates as artistic consultant for Italian furniture companies (textile and accessories).

Has participated in numerous international exhibitions.

Nasce a Napoli nel 1954, vive e lavora a Milano. Laureato in architettura nel 1978 al Politecnico di Milano.

Nel 1996 è tra i fondatori di I+I, azienda che nasce con l'idea di introdurre sul mercato una linea per la casa dallo stile contemporaneo con prodotti artigianali realizzati in tutto il mondo.

Da quella data dirige I+I seguendone sia la direzione artistica che le strategie commerciali.

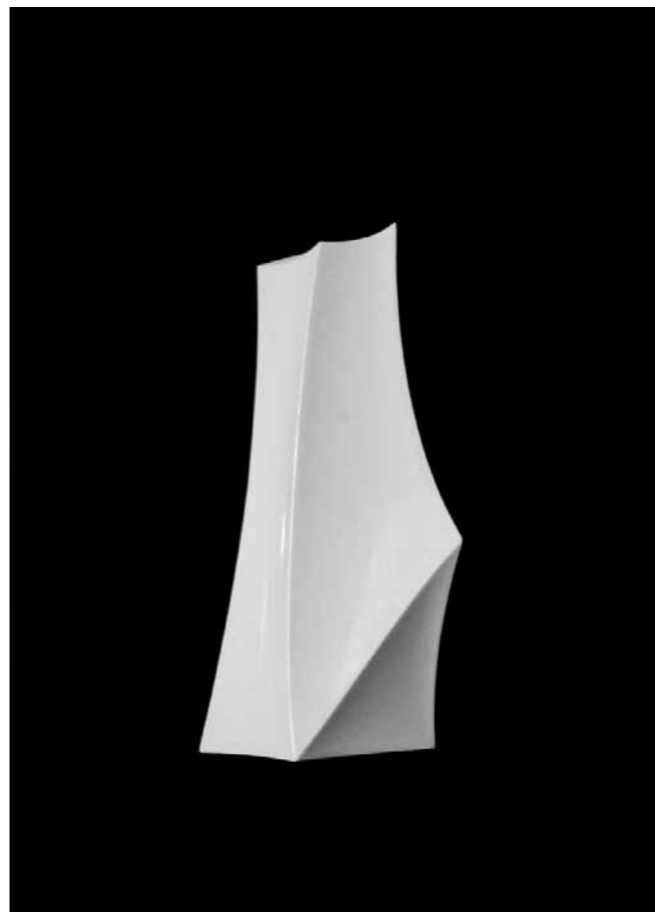

Collabora come consulente artistico per aziende nel campo dell'arredamento sia nel campo tessile che nell'oggettistica. Numerose sono le sue partecipazioni a mostre internazionali.

Setsu e Shinobu Ito

Both designers and architects. After graduating in Japan, at Tama Art University in Tokyo, Shinobu; and at Tsukuba University, Setsu. They moved to Milan where they have been working between Milan and Tokyo as consultants for important companies. Their work has been published and exhibited throughout Europe and Japan and has received several awards. Some pieces are today part of the permanent collection at the museum of Contemporary Art in Munich. Shinobu works also as a graphic designer, Setsu teaches at the Domus Academy in Milan and at the Istituto Europeo di Design, and in Tokyo at the Tama Art University.

Entrambi designer ed architetti. Laureatisi in Giappone, alla Tama Art University di Tokyo, Shinobu; e all'Università di Tsukuba, Setsu; ma milanesi di adozione.

Attualmente svolgono attività di consulenti tra Milano e Tokyo per ditte importanti. Le loro opere, pubblicate ed esposte in tutta Europa e in Giappone, hanno ricevuto numerosi riconoscimenti. Alcune fanno parte della collezione permanente del museo di Arte Contemporanea di Monaco. Shinobu si occupa anche di grafica. Setsu svolge anche attività accademica come docente a Milano presso la Domus Academy e l'Istituto Europeo di Design e a Tokyo presso la Tama Art University.
